As metaphors go for working at Escort, floating slowly and aimlessly around until lunchtime is a decent match. Watching Brook's stupendous stack floating around with us fits even better. "It's just as well I'm not doing anything more energetic today," sighs a supine Brook. "I was out on the sauce last night – beer by the pool, then tequila chasers, then a big cock for the road. I've never fucked in a pool before. Doesn't spunk go funny in water?"

No strings

This is a call out to horny Jason who we met a couple of nights ago. Since then, we've been obsessed with you! If you're ever up for no-strings fun, get in touch.

The choice is yours – Nicci and I would both be up for fucking you. Meanwhile we're getting enough dick to keep us happy, but mostly satisfying each other.

She reckoned I should word our plea straight from the pussy which is why she's got three fingers up me while I'm typing.

Then I'll stagger back to the bed, warm up our favourite dildo and ram it in her cunt, telling her to imagine how good your dick would feel pounding in and out, while your hips are spreading her thighs wide apart.

When she's halfway to a frenzy, I'll turn around and straddle her face, like it's yours I'm sitting on while she rides your dick. She's eaten so much snatch her tongue goes on forever.

But still it's your choice. Maybe you just fancied one of us – that's fine too. Ideally, the "extra" would still like to watch, and frig herself stupid while she watches the other girl take your length.

Or maybe you'd rather sit in on our fun while we eat each other out.

It can be look but don't touch if that's how you want it, but a big spunk shower to lick off each other's bodies would make our day.

So here are two hot mouths and juicy pussies desperate to wrap themselves around your dick. The offer's open for the foreseeable but obviously it's not exclusive – so other blokes in the mood for fun should contact us too!

Lianne and Nicci, London.

You could watch me frig her stupid

Competitive streak

My flatmate Brittany got me into jogging a few months back, and I'm fit enough to keep up with her now.

Whoever wins gets first go in the bathroom, so it's dead serious unless you like standing round all sticky and sweaty. Which I don't!

The other day I won, then realised I didn't have my door key. Brittany said this meant she'd won, which I wasn't having, so we elbowed and shoved each other all the way to the bathroom.

Our shower's fixed over the bath, so there was room for me to get in there with her. She handed me a sponge and said, while I was there, I might as scrub her back. I soaped down from the back

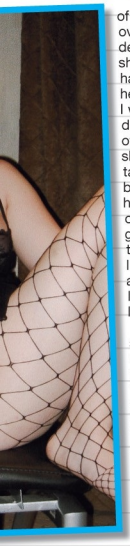
I slathered her tits in foamy bubbles and fingered her



of her neck and over her shoulders, while she shampooed her hair, massaging her scalp. Then I worked further down, to the small of her back, where she had this cute tattoo. We were both still a bit hyped up from our run, and I was getting some sexy thoughts – nothing like I'd ever had about any woman, let alone the one I lived with!

"A bit lower?" she said, which meant soaping her arse cheeks. Then I did her hips and brought my hands round to her belly. She could have reached that easy enough herself, but she was enjoying this as much as I did.

Now she turned round – we needed more shower cream, and she dripped it on her boobs for me to work into foamy bubbles. I was slathering them in the stuff, but I could always see the pinkness of her nipples showing through it. Then I shoved her gently backwards under the shower and watched it melt away.

We kissed, tongues in each other's mouth, and I went down on her nipples. Then she said what she reckoned would be sexy was if she washed my hair for me.

I nuzzled her belly then, as her fingers worked through my hair, I moved down, blowing then kissing her trimmed mound before splaying her lips and sucking on her clit. It was like a ripe pink berry and she started moaning as I tongue-flicked it.

I jammed two fingers in her hole and made her cum within a couple of minutes.

We rinsed off – shame our showerhead is fixed to the wall as we could have had fun with a water-jet setting!

Instead we towelled ourselves dry then went to Brittany's room, where she used a vibrator to get me to orgasm.

We cuddled up afterwards and talked about what had been the first time with a woman for either of us.

We've carried on and so far, it's been fun!

Caryl, South Wales.

Fresh meat

I'm 40 and a divorced single mother. I don't get out much but, when my other half has the kids, I try to have a night out.

It doesn't have to be anything major – the other week I just went to see a film in town. And, at the bus stop, I got talking to a lad. I'd never met him before but recognised him as someone from my local area.

His hand crept back on to my freshly spunk-sauced cunt

We sat together on the way home, and he offered to walk me to my door, really polite. I said good night and he moved in for a kiss – a bit awkwardly, but it was sort of sweet. And when I kissed him back he soon relaxed into it.

It was ages since I'd had a proper full-on snog, but it still got me warm and wet in the same way it always had. I opened the door and asked him in, and we pretty much fell on each other.

When I got his trousers down and clocked his hard-on, my cool just melted away.

I got my hand on it and started wanking him gently – he felt like he might blow at any second. His tongue was deep in my mouth, playing up against mine, and I felt a strong pulse inside. Then he let out a groan and suddenly shot his load in my hand.

He looked a bit embarrassed so, to show him it didn't matter, I wiped his spunk all over my face and boobs, messing up what was left of my make-up, too. Then I said he could go down on me, till he got hard again.

He was a bit sloppy and awkward, but he learned fast and anyway I'm very orgasmic, so any licking will get me there in the end!

I told him to tongue my clit and use his fingers in my hole. He penetrated it and I

got hold of his hand, pushing them in further and telling him to bend them slightly. Then I found my G-spot and the pleasure just ran right through me.

I lost control a bit, but that just made him step things up even more, seemingly a bit gobsmacked at the effect he was having on me! But he acted like it was the sexiest sight he'd ever seen, and his prick was rearing up, stiff as a rod – a thick, meat rod!

"Time you fucked me," I said, and shifted position then used my hand to help him inside. His tongue was back in my mouth, tasting all salty and musky, and when I told him to get shagging, he took it like an order!

"Now suck my tits," I said and he did it instantly, mouth working on each one in turn till they were stiff as his prick.

Love him, he actually looked a bit panicked when I said I was cumming, like he didn't know what to do about it. But he just kept on thrusting and then I told him to stay deep inside me, so he could feel me orgasm round his cock. "Your turn now," I said, like he needed telling, and three pushes later he was filling me full of spunk.

He fucked me ragged. All through the night, just when I thought he'd finally drop off after cumming, I'd feel his hand creep onto my freshly spunk-sauced cunt, and he'd soon be ready for yet another go too.

Wendy, Nottingham.

IN THE PINK!

Being too cheap to allow Scarlet douse herself in champagne for your arousal, hers, and ours, a bottle of shampoo-shaped bubble bath would suffice, we figured. Then a tax bill meant even the bath was out of our price range so we let Scarlet writhe around on a towel in pink goo. In the cold. Funnily enough, she liked it. "Cheap men? I love them! As long as your cock is hard and you've got plenty of spunk in your balls, you can treat me how you like. Now is there any white slime you fuckers think you can splurge out on me?"

Very tidy.

Do porridge

My 45-year-old wife became very sexual after the birth of our children. She knew what she wanted now and how to be pleased.

We began to write to contact magazines and we had a huge response from men who just love MILFs. One letter really turned us both on, from a huge black prisoner called Lee.

One day, Lee told us he was getting released and he wanted to visit us. I sat my wife down. "Lee's been in prison for five years. You do know what he'll do with you?"

She nodded and arranged for him to come over, on a weekend I was away. I'll let my wife take over now.

Debs writes: My heart was pounding when he knocked on the door. "Hello, are you Debs?" His deep sexy voice raised my heartbeat even more. I invited him in, this big strong black man and soon I was in his arms, his tongue huge in my mouth.

His hard cock pressed against me and my stomach churned in anticipation. My pussy began to spasm and juices started to flow.

"I need you now," he grunted and pulled my dress up and pushed me over the sofa arm. He was almost out of control – his breath was hard, he was covered in sweat. My face was buried in the cushions as he pushed his enormous black cock up me, one savage thrust all the way up.

I screamed in pleasure and pain as he pushed in and out furiously. I reached back between my legs, rubbed my clit and came loudly, squirming against his thrusting cock.

He heard my joy and I felt his body stiffen and he came hard and long.

"God, you needed that didn't you, Lee?" I said. "Come upstairs – when you're ready we can start again."

He fucked me like an animal over and over and fell asleep around two a.m. I had just enough time to ring my husband and tell him what Lee had been doing to me.

In the morning Lee just wanted sex so he fucked me for the rest of the day until my husband was due back.

I drove Lee to the train station. I dropped him off at one platform and greeted my husband on the other.

My pussy and arse were so full of cum that when my husband squeezed me I could feel it seep out of me. To any onlooker I just looked like a normal middle class wife picking up her husband.

"And what's my little girl been up to?" he asked. I felt a hot flush come over my face.

We'd love to find another single man who's into dating couples...

Double down

My name's Sharon and my best mate is... Sharon. These days we're inseparable, even when it comes to fucking!

A couple of months back we went on hols and trawled the local bars and clubs for action. We often dress alike just to get attention – plus it helps a bloke understand that we come as a pair a whole lot quicker!

We can be quite picky, knowing we'll keep each other happy if the men don't measure up! But we struck lucky on the third night, with a lad called Grant. We said he was coming back to our hotel, though we didn't let him near us in the cab. Instead, we just gave him a show, snogging with Sharon popping my tit out for a suck.

I was sat in the middle, between him and Sharon, and gave his dick a squeeze, telling him he'd get his turn soon. Not right away, though.

Back in our room, Sharon and I stripped off to French each other's cunt, and I told Grant to get wanking.

I know exactly what she likes and she's such an orgasmic little tart, I soon had her lying in a puddle of her own fuck juices. Time for cock...

I gave him a snog, like it was the polite thing to do. But I knew he'd taste Sharon's snatch off my tongue and lips. And it was guaranteed to make him want to sample it direct for himself!

She likes being sucked but I was being a bit devious, too. While he ate her, I'd be free to enjoy the cream of his cock!

I felt a bit cheated when he lay back – and she immediately hopped on his dick. But after a few bounces, she got off, slid up his body leaving a sticky mess and settled on his face. She was just adding a bit of seasoning for me. I got that savoury pussy flavour, then the saltiness of cock seeping through it as I sucked him clean.

I love the feeling of having my mouth stuffed full, and his tongue lapping at her slit was so horny to watch. My clit was throbbing and my pussy kept twingeing, and I kept thinking how Sharon'd looked riding his pole. I straddled it myself and when she heard me fuck him, Sharon turned round to sit on his face reverse-style, allowing her another good suck on my tits.

Grant was losing it a bit, bucking up into my tensing cunt as he tongue-fucked my mate.

Sharon grabbed my boobs, pulling hard on the nipples till I started cumming, which tipped Grant over, too. As soon as I felt him cumming I got off, so Sharon could lean forward, cram his pulsing helmet in her mouth and swallow the rest of his wad. Then she licked my juices off him, before sucking the spunk out of my hole.

We double-teamed him again next morning!

EVERY HOLE'S A GOAL!

ENGLAND
CATH

Like a good England fan, Cath enjoys a spot of masochism, although more of the being-tied-up-and-cocks-thrust-in-every hole-type rather than the sitting-through-90-minutes-of-unmitigated-turgid-dross-way like most national supporters. Like England, she rarely gets out of her group. The perky foreplay-maker thrives on penetrating runs, balls in the box and the bunga-bunga system of catenaccio. "I'll be cheering on our lads in June," Cath ejaculates. "If they win, they can use my pussy instead of the cup to drink champagne out of – even Roy Hodgson!"

Gaydar jammer

Bella didn't instantly set my "gaydar" off when we met in a bar, but she must have picked up on me being a dyke because she was making all the moves.

Her single bed wasn't that big, but we made the most of the space! She stripped me off then got naked herself, before straddling my body. Even then I was a bit slow, so she grabbed my hands, putting them on her tits. Her boobs were small but felt so firm, her rock-hard nipples digging into my palms.

I played with them for a bit then sucked on them, finding her so sensitive. My mouth got her twitching and she banged her open twat against my belly.

I let her take the lead and to grind right down so I could eat her deep. She was so wet and juicy I was having to gulp, or close my mouth and let

The juices collected at her opening

she wanted to sixty-nine. She turned herself around, then slithered backwards, settling her snatch over my mouth as her own tongue licked in between my thighs.

I saw the juices collect at her opening, so I gave her a couple of licks, getting her them soak my lips and face instead, and my snatch was swelling up from her licking my clit and fingering my pussy.

Now I fingered her pussy hole, in right down to the knuckle. Then I pulled my digits out and walked them up her crack to her arse. I

Happy snappers

My other half, Jenny, and I love taking dirty photos – when our camera broke down and wouldn't upload our most recent shag snaps, she went back to the shop, hell-bent on giving the manager a piece of her mind.

Until she saw him, that is! He was this really good-looking black guy called Jonas!

She handed him the card, nice as fucking pie, and after taking a look himself, he called for another bloke, David, who could have been his brother.

David had no joy retrieving our pictures, but said the card seemed fine. As I had my camera, he suggested testing it by taking a few snaps.

Jenny volunteered to pose for a pic or two – with Jonas!

He tried to stay professional, then David burst out laughing and so Jonas grabbed her in a clinch. They started snogging and, as she unbuttoned his shirt, she pulled away from his mouth and called David over as well.

Soon Jenny had Jonas naked. She stuck a finger in her pussy to give him a taste, and right after that he got down to eat her out. As soon as his tongue found her clit she grabbed the back of his head and started bucking her cunt in his face.

She came once,

His dark length slid up her wet hole

then again, and told Jonas to stand up so she could give him a sucking. He was rock-hard now, and David was in the same state. My dick was straining but I just wanted to keep snapping, so Jenny could enjoy this moment over and again! I zoomed in on her face, eyes shut in ecstasy

teased around it, letting her know what I wanted to do, all the while giving her clit some rub with my other hand. Then I slipped them into her bum, causing her to moan in ecstasy.

I was frigging her with two hands, driving her mad, that beautiful bum wiggling all over the place. Sometimes it was like she was trying to pull free, but I just dipped in even deeper then.

I finished her off when I put my mouth back on her clit, and used those fingers in her pussy. She stiffened, then shivered through her entire body as she came hard in both holes.

Now she just lay there, mouth pressed up against my slit – just her breath on my clitoris kept me on the boil, especially when I matched the pace of my own breathing to hers. Then she fingered me, just in my pussy but really deep, and I started cumming as she licked my clit.

Dawn, Essex.

as she gobbled half of Jonas's thick length. Then her mouth puckered even tighter around it as David fed his thick, dark length up her wet hole.

She kept moaning and slurping on Jonas's dick even as she was cumming. Then he pulled out of her mouth – she opened it wide – and wanked himself off over her face, pumping globs of cum all over it.

I got one shot of his tip resting on it, before she gave him a final suck clean.

David stayed inside her while he came, and I snapped him pulling out, the pearly jizz gushing out of her. Then they had another go, this time Jenny deep-throating David as Jonas pumped and ground balls-deep inside her.

It's hard to say exactly when she came – it was like one long orgasm that never stopped – and they both shot inside her this time, Jonas slamming in deep, and David streaming down her throat.

The pics were brilliant!

Will, Sussex.

Fare cop-off

My husband was gagging to get me home so I picked up a cab from the airport – with a woman driver.

Bridget was a chilled and earthy person, and we got chatting so easily she pulled over and asked if I wanted to sit up front and keep her company.

She said that while she earned good money working nights, her sex life was non-existent. I said that it wasn't so bad for me – my other half would be all over me like a rash tonight.

I was getting moist thinking about what I was going to do with his cock that night, and she read that as a come-on.

I let her peck me on the mouth and when she slipped me some tongue, I opened my lips to take it. I knew deep down I wasn't a lesbian, but I was feeling turned on, so, when she touched my tits, I let out a little moan, so she carried on.

I'd put on new sexy undies as a surprise for my man, and she loved them, rubbing them up against my clit before taking them off me, opening my cunt and burying her face between my thighs.

Bridget was so into eating me – my other half loves a mouthful of pussy, but nothing like Bridget – she was just greedy for it. I get so wet when I'm cumming, and anything she couldn't swallow she was just rubbing all over herself. Next thing I knew, my head went weird, then my pussy clenched hard before cumming around Bridget's tongue.

Too bad my hubby rang – I told Bridget I had to dash – truth was her licking had made me desperate for his cock – but not before I'd got her details.

Marina, Surrey.

Her cunt licking had got me so horny
